## LXO

(With arms - shown)

# LXO CHAIR FEATURES

“Waterfall” seat design gently slopes away from the legs, minimizing pressure on the thighs and promoting good posture. It features energy absorbing dual density ENERSORB™ seat foam that reduces sitting fatigue by minimizing pressure points and increasing blood circulation.

To raise or lower arm height, push button up and move to desired position. Release button to lock into position.

### Synchro tilt lock

Has a three position tilt-lock. To lock chair in position, push paddle back. To allow free movement, pull paddle forward.

### Pneumatic height adjustment

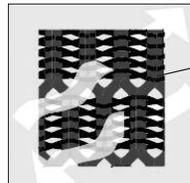

To lower, lift the paddle while seated. To raise, lift paddle with your weight off seat.

### Tension knob

Turn clockwise to increase tension, turn counter-clockwise to decrease tension.

### Seat depth adjustment

Loosen hand wheel (do not remove) and slide back to desired position, then re-tighten hand wheel.

### Mesh back

Translucent ABLEX™ patterned weave mesh back provides lumbar support while allowing dynamic back movement. It is also breathable.

## LXO CHAIR

This award winning mid back ergonomic chair features light weight material, a mesh back, and a synchronous tilt mechanism with multi positions. Available with or without arms.

### No arms
