MXO

MXO CHAIR FEATURES

Seat design

Contoured waterfall seat design helps to reduce sitting fatigue and promotes good posture. It features energy absorbing dual density ENERSORB™ seat foam that minimizes pressure points and increases blood circulation.

Memory height and position

Gas lift always returns the chair to a uniform height and position. To lower lift lever up while seated. To raise, simply remove your weight from the seat.

Comfortable soft arms

Dimensional height of arms designed to fit smartly under all standard height conference and meeting room tables.

Mesh back

Translucent ABLEX™ patterned weave mesh back provides lumbar support while allowing dynamic back movement. It is also breathable.

MXO

MXO combines unprecedented comfort with a contemporary aesthetic and sustainable design. It offers a breathable mesh back, comfortable soft arms and a gentle sloping waterfall designed seat using ENERSORB™ memory foam.
